| Alc.            | 20.0%                                                                                                                                                                                                                                                                                                                     |
| Vinificatie     | Minimum 10 jaar gerijpt op het klassieke Canteiro systeem.                                                                                                                                                                                                                                                                |
| Rijping         | Blandy's 10 year old Medium Dry Verdelho underwent fermentation off the skins with natural yeast at temperatures between 18°C - 21°C in temperature controlled stainless steel tanks. After approximately 4 days, fortification with grape brandy takes place, arresting fermentation at the desired degree of sweetness. |
